

TOILET PAPER MUMMY

The image features several rolls of white toilet paper arranged in a decorative pattern around the central text. The rolls are of varying sizes and are positioned to frame the text, with some appearing to be partially unrolled.

Split everyone into teams with the same number of participants. One person gets to be the mummy, and the rest of the team races to wrap them in toilet paper.

THE RULES ARE SIMPLE:

- 1) The whole body has to be covered
- 2) Whoever uses up all their toilet paper rolls first wins!

Give each team at least 2 rolls for best results.
